2	BPSC Swim School	BPSC Swim School	Development Competitive	Junior Competitive		Senior Active		No change - still our most popular night											
3	BPSC Swim School	BPSC Swim School	Development Active	Junior Active		Senior Active													
4	BPSC Swim School	BPSC Swim School	Development Active	Junior Active		Masters Competitive													
1	Aimed at the competitive squads where swimmers are attending at least 3 others sessions regularly before joining this session - speak to your coach about			Development Competitive (on advice of Rosie)		Masters		Reduce Competitive session to 1.5hrs start at 7 rather than 6:45											
2				Junior Competitive		Masters		Addresses OP concerns with overalls with previous swim school. Make it more likely for people to come to a 1.5 hr session. Address feedback and have no overlap so all competitive get out at 8:30.											
3				Senior Competitive		Adult development		Cost saving £22.68 full year											
4				Masters Competitive		Adult development													
1	45 mins session			Parents Lane		Masters		All to start 9:00 - warm up & hit set in three lanes this session											
2				Development Active		Masters													
3				Development Competitive		Masters													
4				Junior Competitive		Adult development		Hampered by limited 1.75 hrs available.											
5	1hr session 8.15 to 9.15			Junior Competitive		Adult development		Extend Seniors to 1.5hrs to make better use of the 1hr session.											
6				Junior Active		Adult development		Need to adjust Dev swimmers are out.

3	BPSC Swim School	BPSC Swim School	Junior Competitive																
4	BPSC Swim School	BPSC Swim School	Senior Active																
5	Development Active		Senior Competitive		Very popular. Potential issue is coping with range of swimmers in masters - a number have stopped coming when squeezed into 1 lane.														
6	Development Active		Senior Competitive		Lanes should be by squad ideally evening out numbers - possibly merging squads i.e. Comp Master with Senior on occasions.														
7	Development Competitive		Masters																
8	Parents Lane		Adult development		optional														
1	BPSC Swim School	BPSC Swim School	Development Active		Senior Competitive														
2	BPSC Swim School	BPSC Swim School	Development Active		Junior Active		Senior Active		Push to encourage more Masters so it isn't seen as purely Comp Masters.										
3	BPSC Swim School	BPSC Swim School	Development Competitive		Junior Active		Masters												
4	BPSC Swim School	BPSC Swim School	Junior Competitive		Masters														
1	Masters		Development Competitive		Junior Active														
2	Masters		Development Active		Junior Competitive														
3	Masters		Adult development		Senior Competitive		Extend sessions by 30 mins for Juniors and Seniors. Protect the middle session so it remains aimed at development swimmers both kids and adults.												
4	Masters		Adult development		Senior Active		Cost £45 extra a week - £300 full year impact												

It is important that swimmers stick to their appropriate sessions, as some sessions are at maximum numbers and swimmers turning up from different squads cause coaching difficulties and isn't fair on the other swimmers. If prior arrangement is made with the Head Coach, some flexibility may be accommodated if numbers allow (e.g. Fridays tend to be quieter) - priority is for the swimmers in their correct session.
